

ST. JOSEPH'S HIGH SCHOOL GORAKHNATH

Dear Parent,

07th July 2020

Online classes are going on in full swing. If your ward is not attending the classes please consider this notice as a reminder.

The recurring expenses of the school along with payment of teachers' salary can be met only with the fees collected from students. **Hence I request you to deposit the fees of your ward at the earliest and confirm / regularize the admission of your ward in the school.**

As a supportive measure we are collecting the fees as per the fee structure of previous Academic Year (2019 – 2020). School fees can be paid through a crossed cheque in favour of “St. Joseph’s School, Gorakhnath” or by online payment. Write the admission No. and Name of the student along with class and section on the reverse side of the cheque.

Your support and collaboration in this effort will be highly appreciated.
